

Copenhagen, 2002-11-01

On Thursday the 7th of November, Øresund IT Academy and the Danish ministry of knowledge, technology and development, have arranged with two bus trips to hot IT businesses in the Øresund region. We are going to visit leading Advanced Image Processing businesses and R&D facilities in the Øresund region. The tour is free of charge and will include lunch and offer transportation back to Malmö C, Kastrup airport or Ørestad station.

We still have some seats left, so why don't take the opportunity and join us on this interesting tour

The Tour - Advanced Image Processing

Advanced Image Processing

Departure 9.30:	Ørestad station
10.00-10.40:	Dep. For Image Analysis and Computer – Danish Technical University
10.40 – 11.00:	Image Metrology (at Danish Technical University)
11.15:	Departure from Denmark
11.15-12.15:	Lunch
